Prospective Member

Welcome to Golden State Classics Car Club!

The Golden State Classics Car Club was founded in 1986 by nine individuals interested in preserving and enjoying all types of antique, classic, and custom cars and trucks. We define a "classic" as being 25 years or older.

Our members range in age from 21 to 80 years. We are a very active, family oriented club that usually participates in at least one event each month, and in many cases more than one event each month. We participate in events as near as Paso Robles and as far away as Los Angeles, and the San Francisco Bay Area. Historically, we have about 15 cars and trucks at each event in which we participate.

To become a member, just fill out the following form. We recommend that you come to a meeting to learn more about the club, but it is not mandatory. We hope that you will be take an active interest in the club and participate in club activities!

Dues are \$45.00 per year and include your family. Dues paid after July 1st is \$20.00. For your dues, you will receive the monthly club newsletter, a copy of the club by-laws, and one black plastic nametag (appropriately engraved). Club jackets cost approximately \$65.00.

Club meetings are conducted once a month. The meeting and upcoming events are announced in the club newsletter and are available on the website:
www.goldenstateclassics.org.

We have undertaken several community service projects for which we intend to provide financial support through various fundraising activities. Once accepted as a member, we would enjoy your participation in these fundraising activities.

Thank you for joining our club! We believe that you will enjoy participating in events and other activities! Should you have any further questions, please send an email to goldenstateclassicscc@gmail.com.
